Turner & Arkwright's 5km Summer Series – Ely Runners

Location:

Ben's Yard, Stuntney Estate, Ely, CB7 5TR
www.bensyard.co.uk

Thursday 8th May 2025

Junior Race: 7:00pm
Adult Race: 7:30pm

Junior Race

In addition to the adult race, Ely Runners will be hosting a timed 2k race starting at 7pm for juniors aged from 9-13 years old.

Amenities:

We have ample car parking, but please car share where possible. Ely train station is 2 miles away and there is a footpath via Stuntney. Please do not run on the A142 from Ely.

Toilets are located in the main Ben's Yard buildings and will be sign-posted. Ely Runners are providing female sanitary products in the toilets for all those that need them.

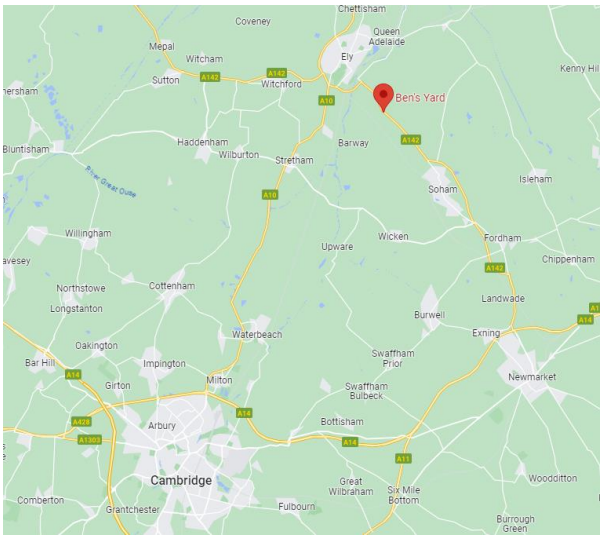

WE ARE GOING PLASTIC FREE! Please bring your own water bottles/cups. Whilst we will have water for runners available at the finish, there will be no plastic cups handed out so that we can protect the local wildlife.

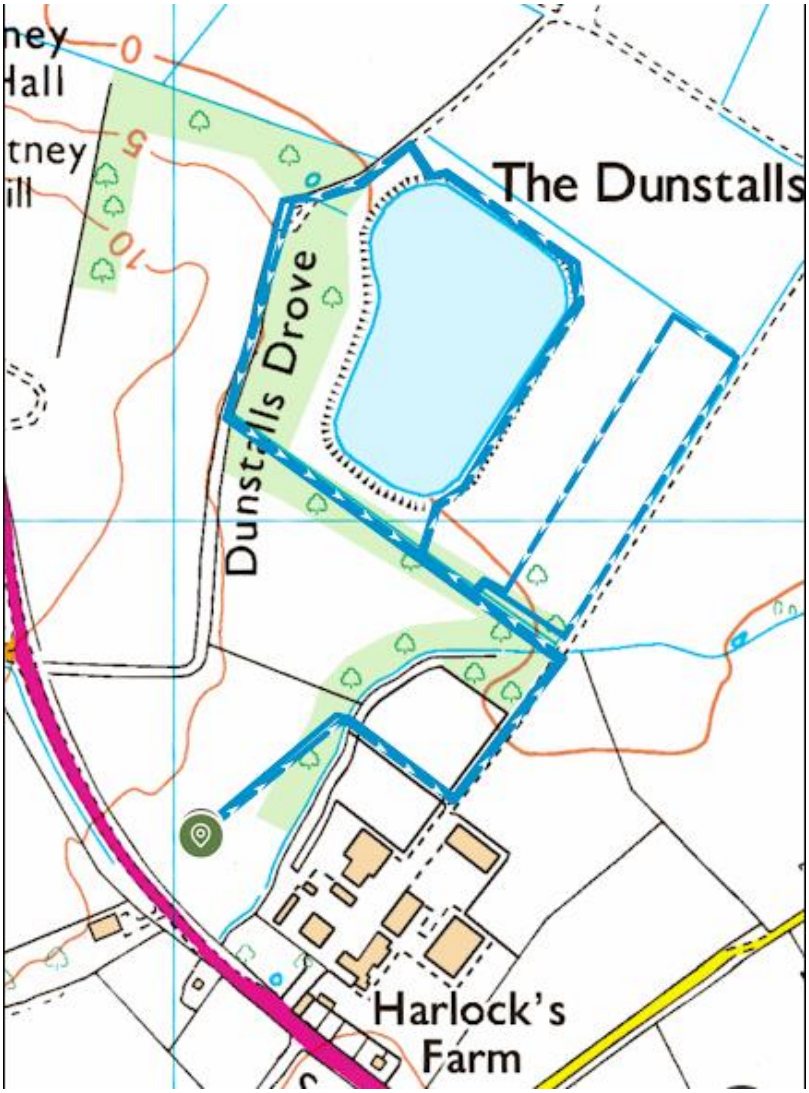

Route:

The route is amended for 2025 with two laps of the reservoir, but still remains a mixed terrain course consisting of tarmac, gravel and grass. Whilst it is a flat course, please do take into consideration that the grass is uneven in places and there may be rabbit holes. The views are spectacular, but please do watch your footing!

The start and finish are the same location, a short distance from the car parks.

Please do not run along the A142 from Ely to reach the venue and if leaving by car please be cautious when exiting towards Ely

ARC Race Permit: ARC/25/0460
